Lammeh- Palestinian Dance Database

سرية رام الله الأولى  
Sareyyet Ramallah

The Palestinian Dance Database- Lammeh; aims to empower and promote the Palestinian dance sector, and to promote Palestinian dance productions, festivals, and dance schools. In addition to enhance networking and cooperation between Palestinian dance workers in Palestine and Diaspora, and between them and Arab and international Dance companies, academies, and festivals.

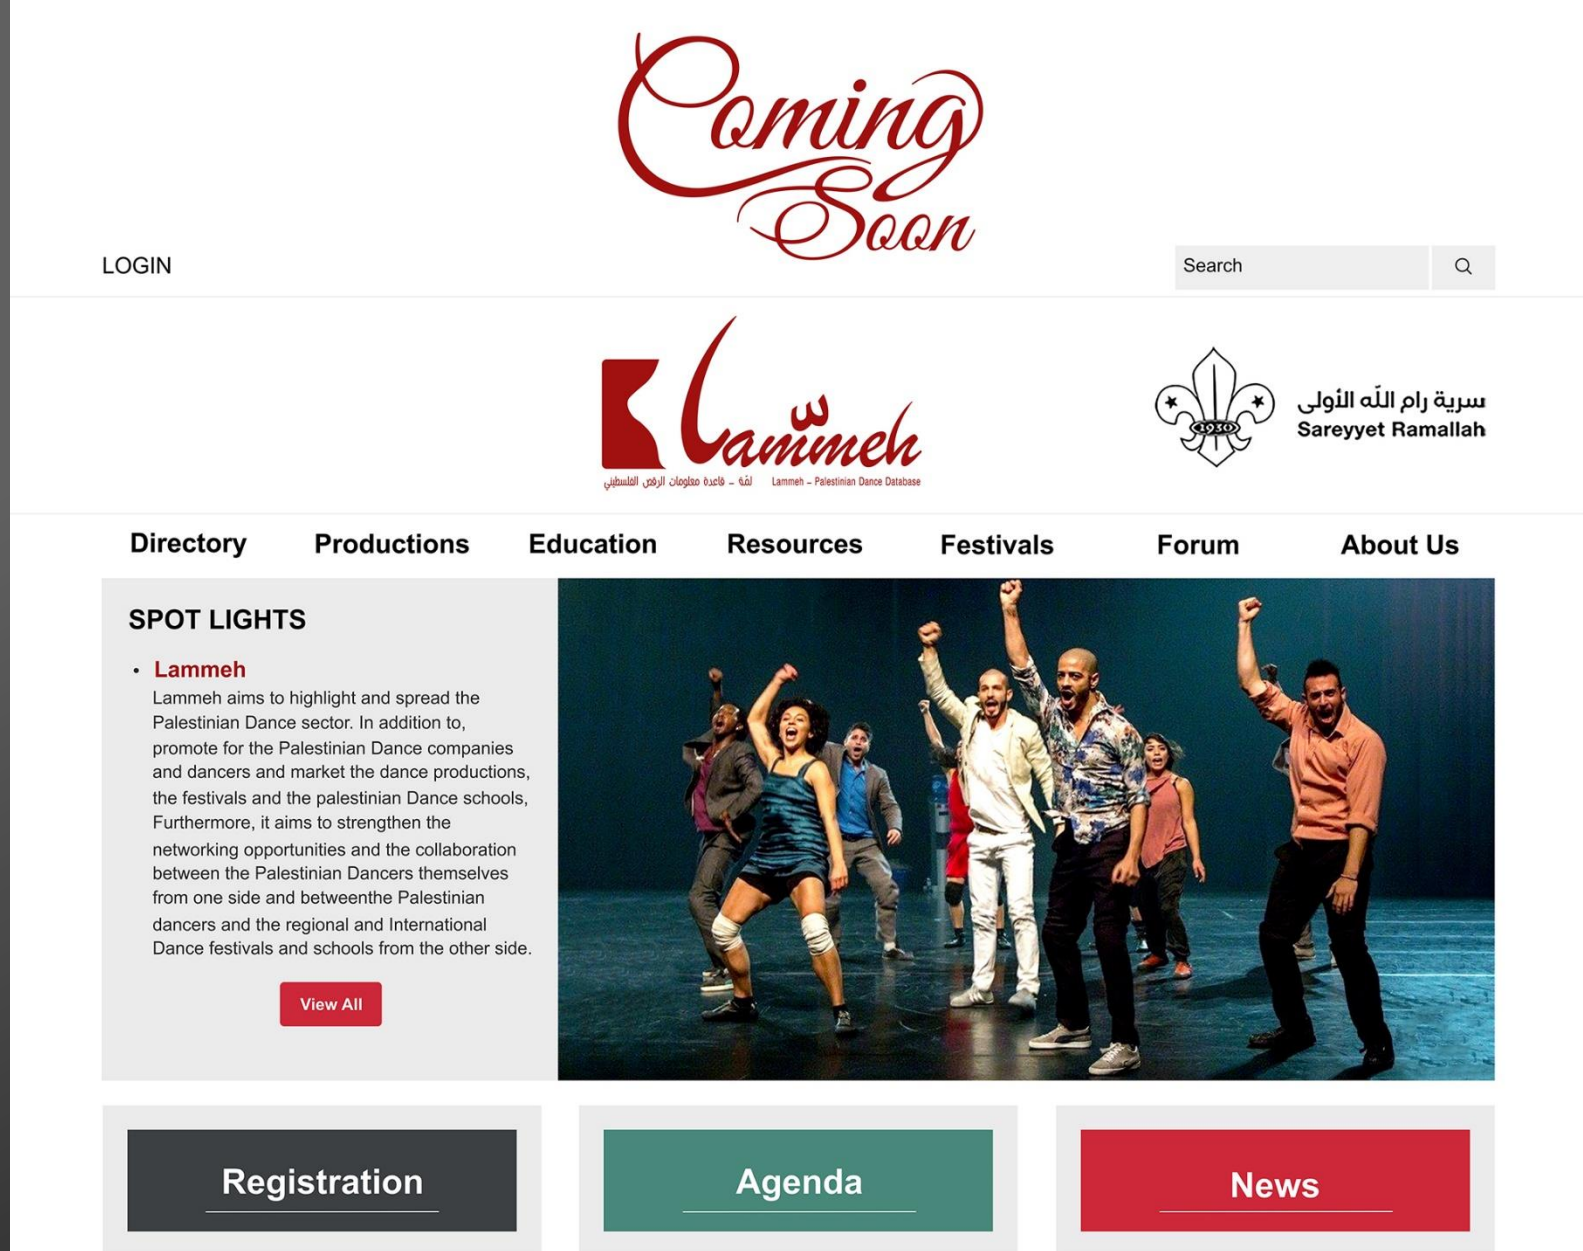

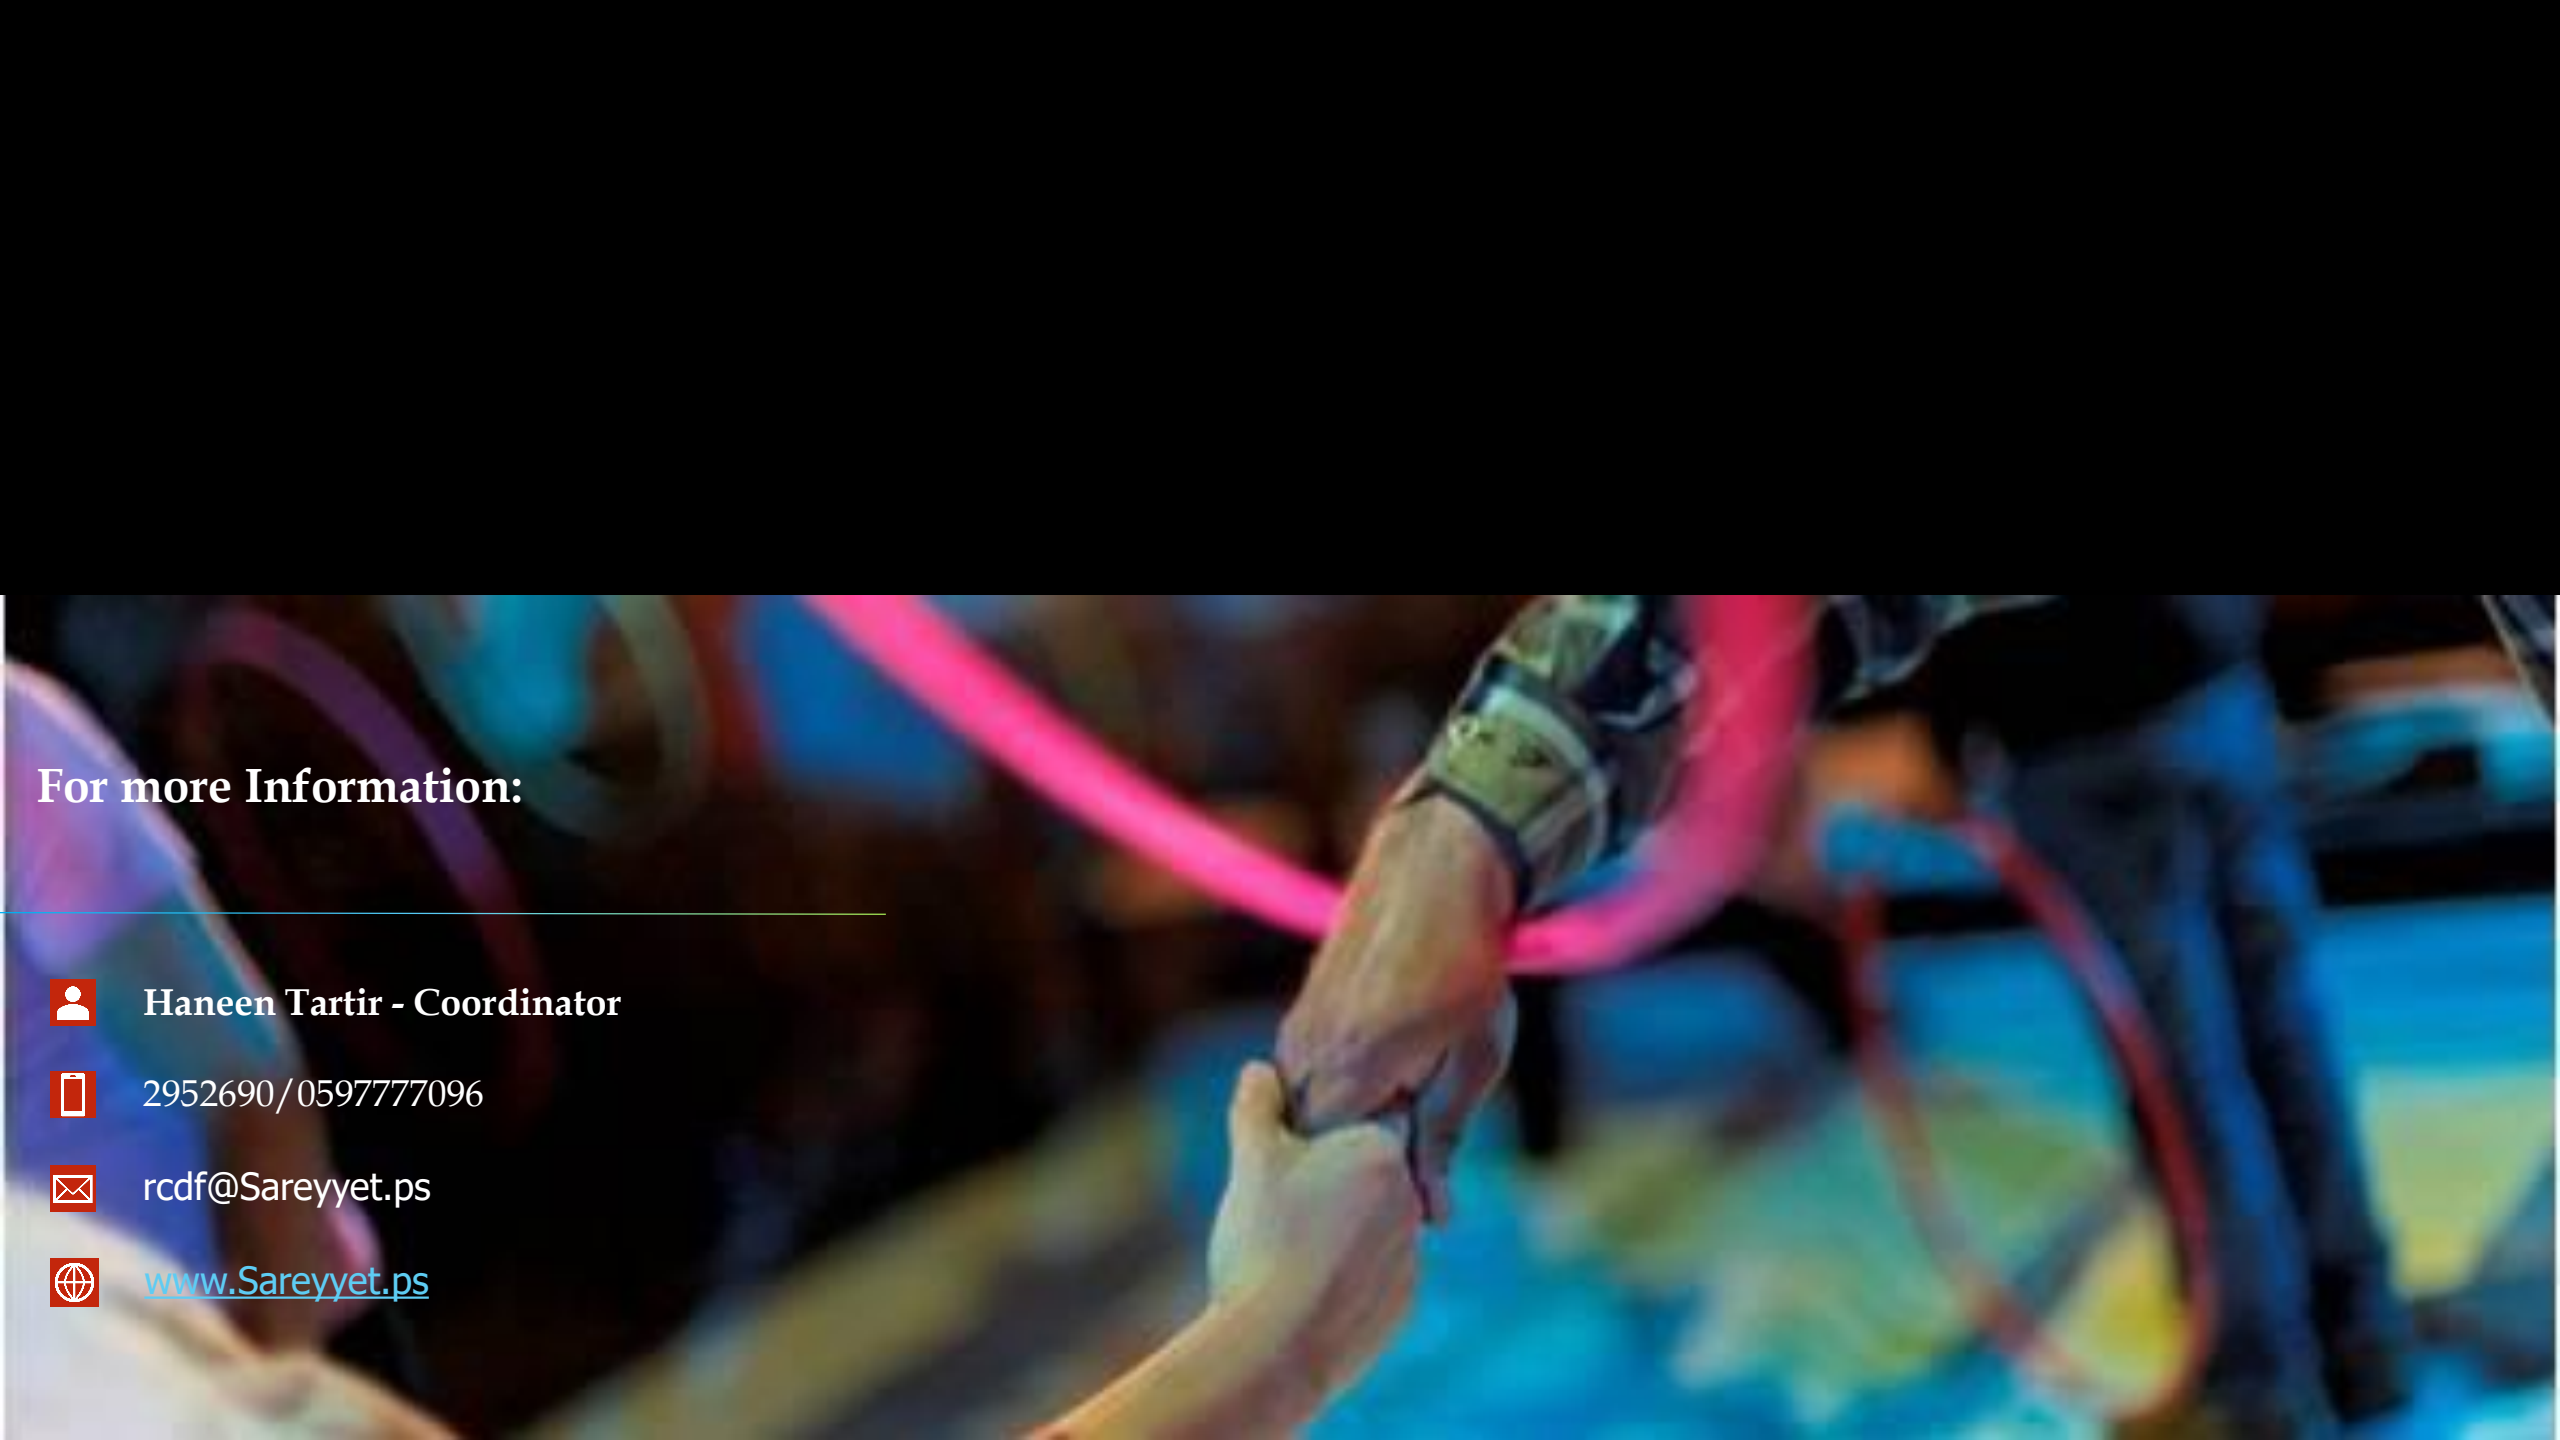

لَمَّة - قاعدة معلومات الرقص الفلسطيني Lammeh - Palestinian Dance Database

Lammeh is available through an interactive website that contains:

- 1.Information about the Palestinian dance companies, dancers, and choreographers everywhere, either inside or outside Palestine.
- 2.Information about artists and technicians working in the dance sector such as choreographers, scenographers, light designers, dramaturges, and musicians.
- 3.Palestinian dance productions.
- 4.Palestinian dance schools including the dance courses, dance training programs, summer dance school, and art residences.
5. Supporting sources which include research, articles and books on dance, academic dance curriculum, theatres and training studios, funding sources.
- 6.Local, Arab and International Dance Festivals.
- 7.Forum for dialogue and art criticism.

The database will allow artists and festivals to publish their news, promote their various programs and publish a periodic calendar that includes all Palestinian dance programs, such as courses, workshops, performances and festivals.
